

## Technical Bulletins 2010-2011

Cover Page	Title	Price	Postal charges	Total
 <p style="text-align: center;"><b>High Yielding Rice Varieties of India</b></p> <p style="text-align: center;">(A Comprehensive compilation about all the varieties and hybrids released during the period 1965-2010)</p> <p style="text-align: center;">K Shukla Devi, GS Narayana, CJ Sakthi Devi, S Satharshan, AS Narayana, ASR Prasad T Ram, V Ravindra Babu, G Padmanabhi, Vijayalaxmi, K Suresha and BC Viraktamath</p> <p style="text-align: center;"><b>DIRECTORATE OF RICE RESEARCH</b> (INDIAN COUNCIL OF AGRICULTURAL RESEARCH) RAJENDRANAGAR, HYDRABAD - 500 030, INDIA</p>	<p><b>High Yielding Varieties of India</b></p> <p>(A Comprehensive compilation about all the varieties and hybrids released during the period 1965-2010)</p>	Rs. 200/-	Rs. 60/-	Rs. 260/-
 <p style="text-align: center;"><b>HYBRID RICE IN INDIA</b></p> <p style="text-align: center;">(A concise bulletin on the status of Hybrid rice in India and its future prospects)</p> <p style="text-align: center;">Directorate of Rice Research (Indian Council of Agricultural Research) Rajendranagar, Hyderabad -500 030</p>	<p><b>Hybrid Rice in India</b></p> <p>(A concise bulletin on the status of Hybrid rice in India and its future prospects)</p>	Rs. 50/-	Rs. 35/-	Rs. 85/-
 <p style="text-align: center;"><b>Marker Assisted Breeding in Rice</b></p> <p style="text-align: center;">(An introduction to markers assisted breeding in rice with case studies)</p> <p style="text-align: center;">CN Nareja, RM Sundaram, SM Hotschandran and MS Madhav, BC Viraktamath</p> <p style="text-align: center;"><b>DIRECTORATE OF RICE RESEARCH</b> (INDIAN COUNCIL OF AGRICULTURAL RESEARCH) RAJENDRANAGAR, HYDRABAD -500 030</p>	<p><b>Marker Assisted Breeding in Rice</b></p> <p>(An introduction to markers assisted breeding in rice with case studies)</p>	Rs. 100/-	Rs. 35/-	Rs. 135/-

## Technical Bulletins 2010-2011

	<p style="text-align: center;"><b>System of rice Intensification Enhancing input use efficiency in Rice.</b></p> <p>(Detailed background and package of practices for SRI, to most talked about method of rice cultivation)</p>	Rs. 50/-	Rs. 35/-	Rs. 85/-
	<p style="text-align: center;"><b>Organic Rice Farming: status and Research Experiences.</b></p> <p>(Basics on organic rice farming with research experiences from DRR trials)</p>	Rs. 50/-	Rs. 35/-	Rs. 85/-
	<p style="text-align: center;"><b>Spatial Decision support System for Rice Management.</b></p> <p>(An integration of spatial technologies with crop growth models to design reliable decision support system)</p>	Rs. 50/-	Rs. 35/-	Rs. 85/-

## Technical Bulletins 2010-2011

	<p><b>Rice Stem borers in India: species: composition and distribution</b></p> <p>(A useful bulletin on stem borer species composition, insect biology to assist in developing appropriate IPM technologies to control stem borer).</p>	Rs. 50/-	Rs. 35/-	Rs. 85/-
	<p><b>Insect Resistance in Rice</b></p> <p>(Excellent compilation on various sources of resistance to major insect pests backed with a searchable data base CD)</p>	Rs. 100/-	Rs. 35/-	Rs. 135/-
	<p><b>Rice Blast Disease and its Management</b></p> <p>(A detailed information on the rice blast, management practices including host-plant resistance, molecular aspects with case studies on pyramiding of blast resistance genes at DRR)</p>	Rs. 50/-	Rs. 35/-	Rs. 85/-
